RE: 2022 WI State Forensics Tournament

Dear Scott:

Thank you, once again, for reaching out requesting information for the 2022 WI State Forensics Tournament. Eau Claire is excited for this opportunity and know that you will find everything you need and more in our beautiful city.

Given the event itself will primarily take place at North and Memorial High Schools, I have included hotel facility information for attendees to take advantage of. You will be pleased to know that the majority of the properties are able to honor the current state government rates.

Visit Eau Claire is ready and willing to assist in any other way you see fit to make the Tournament a memorable one for all attendees. Not only do we offer a number of complimentary event services, but also would encourage you to check out any possible VEC Grant opportunities.

<https://www.visiteauclaire.com/about/grant-information/>

Please take a moment to not only look over the hotel facility information, but also browse through our Visit Eau Claire website which includes details on the above mentioned properties, available attractions and our outstanding dining opportunities. I would be more than happy to facilitate a site tour of any or all hotels if requested. <https://www.visiteauclaire.com/hotels/hotels-motels/>

It is my understanding that each individual team is responsible for their evening dining needs, however, if there are any special committee banquets or meal arrangements needed, please don't hesitate to reach out for assistance.

After you have had opportunity to review, please don't hesitate to give me a call with any questions or additional information needed. We all look forward to welcoming the 2022 State Forensics Tournament to Eau Claire, Wisconsin and will ensure that your needs are met and your expectations are exceeded.

Regards,

Dana Crosson
