

## **Proposal: Clarify Affiliate Membership definition**

**This change clarifies that all students are welcome at the WFCAs State Tournament, either as part of a school membership WFCAs team or as an affiliate membership.**

**It removes the ambiguity of an individual student affiliate's eligibility if a student's school has a forensic team that does not participate in the WFCAs State Tournament.**

### **CONSTITUTIONAL BYLAWS**

#### **ARTICLE II. MEMBERSHIP**

##### **SECTION II. Individual Memberships**

**Affiliate Membership.** If no **WFCAs** forensic team exists at a student's school, s/he may apply for an affiliate membership. An affiliate member will be eligible to participate at the WFCAs State Tournament as an independent participant.
