

Sheboygan South Forensics Tournament - Impromptu prompts

Round One: Pandemic

1. What is one change from the pandemic that you hope sticks around?
2. What is the first major thing you want to do when the pandemic is declared over?
3. What have been positive aspects of the pandemic for you?
4. If you could teleport right now to one location for the day, where would you go?
5. What are your feelings on virtual learning?
6. What aspect of the pandemic has been the hardest for you?
7. What is something that has changed for you for the long haul because of the pandemic?
8. Did you pick up any hobbies/pastimes/sports during the pandemic?
9. If given the chance to name the pandemic like we do tropical storms, what name would you give it and why?
10. If you had to explain the pandemic to someone in the future in five words or less, what words would you choose and why?
11. What is the food that became a comfort to you during the pandemic?
12. What media did you get into during the pandemic? (TV show, movies, books, podcasts, youtube channel, tiktok videos, music)
