

WFCA 2022 online tournament

extemp questions, round 3

Coaches, please have your student select 5 numbers between 1 and 10. Deliver the corresponding questions to your student either electronically or on paper. They are to select one of those questions, and must begin their recording 30 minutes after making that selection.

Students do not need to record their prep time, but please ensure that the student begins their video with a statement that the recording is being made for the 2022 WFCA online state tournament.
