

## **WFCA 2022 online tournament**

### **impromptu prompts, round 3**

Coaches, please have your student select 3 numbers between 1 and 12. Share the corresponding prompts with your student.

The student's video needs to start with a statement that the recording is being made for the 2022 WFCA online state tournament. The video must be one single take with no edits, and must include the selection of the prompt, the preparation time, and the speech itself.
