

Proposal to increase Informative Speaking to a ten-minute time limit

Part 1: Necessary changes to the category rules

In rule #5 on page 44 of the WFCAs handbook, replace the phrase “6 minutes” with the phrase “10 minutes”.

Part 2: Evaluation and confirmation of changes

At the next general membership meeting (currently scheduled for Spring of 2021), add an action item for the old business portion of the meeting that asks the membership to vote on whether to retain the change to 10 minutes for Informative Speaking or to revert back to the current 6 minute time limit.
