

A proposal to limit repeated bills, resolutions, and amendments during the Student Congress season.

Submitted by Andie Peterson-Longmore, Neenah

Proposed:

A bill, resolution, or amendment may not be used more than twice in a given competitive year for the purpose of ensuring diverse topics and speaking points, and reducing redundancy in discussion. Any similar bills, resolutions, or amendments used in a season must be substantially altered from previous versions in order to be used more than twice. It will be the tournament directors' duty to ensure quality and varied material is on the docket to discuss.
