

Re-vote on reducing Storytelling from 4 categories to 3 selections

At the Fall 2020 WFCA coaches' meeting, the membership voted to reduce the number of selections that students must prepare in Storytelling from 4 to 3. Part of that proposal was a stipulation that at the next general meeting, the organization would hold a follow-up vote to either confirm those changes moving forward or revert to the previous requirement of 4 selections.

A yea vote on this matter means that the storytelling rules will remain as they are currently printed on page 55 of the 2020-21 WFCA handbook.

A nay vote means that the rules will revert back to the rules as printed in the 2019-2020 WFCA handbook.
