STATE IS ONLY DAYS AWAY!

We are thrilled to be returning WFCA State to Oshkosh, its former longtime home! Oshkosh North and West have been working and collaborating to make it a great day for your team! We are also excited that State Student Congress will be held at the Winnebago County Courthouse, with our county board chambers serving as a competition venue. We have everybody from the Clerk of Court to the Sheriff working with us to ensure the championship weekend gets off to a great start for those competing in Congress!

[Visit Oshkosh](#) has information for those of you looking to extend your weekend on the shores of Lake Winnebago. Oshkosh has [numerous lodging options](#) available.

If you would like some feedback about picking a hotel, please reach out to Mike Wagner: oshkoshnorthforensics@gmail.com. As a reminder, Neenah hotels are only about 15 minutes away, Appleton is 25-30 minutes to the north, and Fond du Lac is about the same distance to the south. Staying in those cities is convenient as well.

If there is anything we can do to make your State experience more enjoyable, please do not hesitate to reach out. Oshkosh welcomes you!

-Mike Wagner, Oshkosh North on behalf of the coaches of Oshkosh North/West
