Coaches– Share with Students!

Are you looking to get more involved in the WFCA community? Do you want to have a say in helping shape the future of our organization? Looking to develop your leadership skills? Then we need you! With the help of your voices, we are putting together a proposal to introduce a student leadership committee into the leadership structure of the WFCA. We would like juniors and seniors to help create the proposal and possibly serve on the ad hoc committee as we pilot the concept. If you are interested, you or coach can contact Michelle Uttke at michelle.uttke@pwssd.k12.wi.us. And coaches, if you would like to help out and guide our students, email Shelly!
